familiar figures missionaries explorers trappers traders prospectors gunfighters cowboys and indians appear in these pages so do renowned individuals such as daniel boone thomas jefferson teddy roosevelt and john wayne but their

stories contribute to a history of the american west that is longer larger and more complicated than we were once told this very short introduction to the history of the american west stretches the chronology enlarges the geography and varies the casting

this survey of frontier history traces the story from the first columbian contacts between indians and europeans to the modern multicultural encounters it examines topics such as western landscapes environmental movements literature arts and film

the world of the american west is an innovative collection of original essays that brings the world of the american west to life and conveys the distinctiveness of this diverse constantly changing region twenty scholars incorporate the freshest research in the field to take the history of the american west out of its timeworn cowboys and indians stereotype right up into the major issues being discussed today from water rights to the presence of the defense industry other topics covered in this heavily illustrated highly accessible volume include the effects of leisure and tourism western women politics and politicians native americans in the twentieth century and of course oil with insight both informative and unexpected the world of the american west offers perspectives on the latest developments affecting the modern american west providing essential reading for all scholars and students of the field so that they may better understand the vibrant history of this globally significant ever evolving region of north america

chronicles the history of the american west in the twentieth century tracing economical political social and cultural developments in the region from the turn of the century to the 1980s

updated and revised for a popular audience a fascinating new edition of the classic the american west a new interpretation examines the diverse peoples and cultures of the american west and the impact of their intermingling and clash the influence of the frontier and topics ranging from early exploration of the region to modern day environmentalism

the encyclopedia focuses on the people and peoples of the west approaching the region as a collection of multiethnic frontiers and as the spawning ground for an array of industries and enterprises that each gave rise to its own culture and carried with it important ecological consequences p xi

renowned storyteller dee brown author of the bestselling *Bury My Heart at Wounded Knee* recreates the struggles of native americans settlers and ranchers in this stunning volume that illuminates the history of the old west that is filled with maps and vintage photographs beginning with the demise of the native americans of the plains brown depicts the onrush of the burgeoning cattle trade and the waves of immigrants who ultimately settled the land in the retelling of this oft told saga brown has demonstrated once again his abilities as a master storyteller and an entertaining popular historian by turns heroic tragic and even humorous the american west brings to life american tragedy and triumph in the years from 1840 to the turn of the century and a roster of characters both great and small red cloud sitting bull geronimo dull knife crazy horse captain jack john h tunstall billy the kid pat garrett wyatt earp the hole in the wall gang wild bill hickok charles goodnight oliver loving buffalo bill and many others the american west is about cattle and the railroads it is about settlers who came to claim a land not originally their own and how they slowly imposed law and order on these wild and untamed places and it is about the wanton destruction of the native american way of life this is epic history at its best and popular history at its most readable this new work is culled from dee brown s highly acclaimed writings which instantly established him as one of america s foremost western authorities fully revised rewritten and edited into one seamless account of america s most famous frontier this epic narrative along with the introduction and a chronological table of events etches an unforgettable and poignant portrait the american west is at once a tribute to the west and a majestic new peak for a writer whose long and successful career has been synonymous with excellence in frontier history

chronicles the history of the american west during the twentieth century tracing economical political social and cultural developments in the region from 1900 to the turn of the twenty first century in an updated edition that includes new sections that explore the roles of ethnic groups in the new west urban developments western women and events since the mid 1980s original

countless studies of the american west have been written from the viewpoint of history psychology sociology and anthropology but the west has seldom been written about with the reflective pen of a philosopher offering more than a fresh retelling in thoroughly human terms of the major historical events of the nineteenth century west gerald kreyche also leads the reader in a search for the spirit of the west itself that spirit was one with the american dream which offered freedom individualism and self sufficiency to those strong enough and gutsy enough to heed the call of

manifest destiny although the west was and is the most american part of america itself its natural wonders its spacious grandeur its myths and mystique have captured the hearts and imaginations of people the world over we have all experienced the quickened pulse at the mention of things indelibly western tumbleweed mountain men high plains cowboys and indians sod houses coyotes and grizzlies and who doesn't react to such bigger than life figures as jim bridger buffalo bill george armstrong custer sitting bull and crazy horse the personal humdrum of our times rapidly disappears when through the magic of western films tv shows and books we vicariously lose ourselves and then find ourselves in the american west of a bygone time the west then produced a quasi separate culture and as each culture must it gave birth to its own ethos its own special character its own tone and set of guiding beliefs kreyche contends that in the process of westering the veneer of the sophisticated easterner was sloughed off leaving in sharp outline the frontiersman and the pioneer in their own manner these men and women produced a new species of homo americanus

ns explore our environmental history uncover the role of nature and the land in the western past and examine the west as the world's first multicultural society

for over 35 years the dominant histories of the american west have been narratives of horrific conflicts as dark and as bloody as western grounds have often been however there were also important episodes of concord instances of barriers breached accords reached and of people overcoming their differences as opposed to being overcome by them peace and friendship highlights the instances of cohabitation deepening our understanding of how the west came to be through colonization violence misunderstanding and surprisingly at times peace

limerick is one of the most engaging historians writing today richard white the settling of the american west has been perceived throughout the world as a series of quaint violent and romantic adventures but in fact patricia nelson limerick argues the west has a history grounded primarily in economic reality in hardheaded questions of profit loss competition and consolidation here she interprets the stories and the characters in a new way the trappers traders indians farmers oilmen cowboys and sheriffs of the old west meant business in more ways than one and their descendents mean business today

this is a succinct survey of the numerous contributions to the history of the american west in the past twenty five years historians have established a new western history which has rewritten the old western history created around the

famous turner thesis on the significance of the american frontier focusing on issues of land use the environment race ethnicity gender business and the development of communities this study examines the dynamics and progress of recent scholarship this book will prove invaluable for all students of american history

this vivid panoramic history continues the exciting story begun in wilderness at dawn tracing through the eyes and adventures of ordinary people the saga of the settlement of the united states embraces the texture and the drama of the west in all its heartbreak and heroism booklist photos maps

this thoroughly researched book is a mammoth tour of the united states concentrating on the colorful and the dramatic

a narrative history of the many peoples and cultures of the american west from prehistory to the twenty first century

elliott west lays out the main events and developments that together describe and explain the emergence of the american west and situates the birth of the west in the broader narrative of american history between 1848 and 1880

the transformation of the american west is one of the key topics in the study of both us history and global environmental history the role of ranching in the west is also central to the growing field of animal history this volume covers the periods between the early indigenous acquisition of horses in the eighteenth century to the introduction of hispanic horsemanship techniques and market cattle in the old west and finally to the work of twentieth and twenty first century ranching families sustaining their ways of life the documents in this volume reveal not simply the human past but also the distinct histories of cattle horses and the land readers will explore intersecting themes of capitalism and beef environmental change rural labor and gender and racial politics as debated by westerners themselves as well as the meaning and power of the cowboy myth in american life the introduction incorporates recent scholarship and provides a fresh look at this key topic in american history while informative headnotes and rich annotations help orient the reader within the historical sources

the story of the american west is that of a journey it is the story of a movement of a geographical and human transition of the delineation of a route that would soon become a rooted myth the story of the american west has similarly

journeyed across boundaries in a two way movement sometimes feeding the idea of that myth sometimes challenging it this collection of essays relates to the notion of the traveling essence of the myth of the american west from different geographical and disciplinary standpoints the volume originates in europe in spain where the myth traveled was received assimilated and re presented it intends to travel back to the west in a two way cross cultural journey which will hopefully contribute to the delineation of the new always self renewing american west it includes the work of authors of both sides of the atlantic ocean who propose a cross cultural transdisciplinary dialogue upon the idea the geography and the representation of the american west
