end

the ideal spanish language course for beginners the 15 minute language series will teach you how to speak a new language in just 12 weeks the perfect book for anyone who wants to learn spanish fast 12 themed chapters are broken down into 15 minute daily lessons spanning a range of practical themes from socializing to doing business each lesson combines spanish vocabulary and grammar essentials with full color photographs for a user friendly accessible language guide this course in a handy sized book comes with a free downloadable audio app for apple and android phones enabling you to hear words and phrases spoken by native spanish speakers the book also includes a menu guide and a two language dictionary for quick reference when you re out and about each lesson is broken down into easy to follow stages including a warm up box to reinforce what you ve already learned and words to remember lists that you can hide with the book s front cover flap to hide remember and check again become a confident speaker in topics such as introductions food and drink travel work health and much more

this book explains the grammatical terms that are in your spanish textbook and shows you how they relate to english grammar it also includes specific study tips for learning different types of words

a student learning spanish is learning the grammar and mechanics of the spanish language often the everyday phrases that we use in normal conversational speaking is never touched upon or even introduced a pamphlet depicting these everyday phrases would not only increase the spanish student s vocabulary but allow them to be able to speak in a more conversational tone to someone who actually speaks spanish this would then liberate the spanish student from book work to conversations and actual speaking

when learning spanish it is extremely important to learn the words but after that you must learn to put them together someone who knows lots of spanish vocabulary words will still have far less luck communicating than someone who knows key spanish phrases spanish phrases are words strung together and spoken as they would be by a native spanish speaker for example a english speaker might say mi nombre es jane which is technically correct but someone who knew spanish phrases would say me llamo jane which is more fluid and flowing

a study guide to spanish conversation is a good start to studying the language when you lack a way to practice it in with another speaker since it takes time and repetition to learn any language you can look over the common phrases throughout the text in order to build up your vocabulary after several months of practice combined with practical application with spanish speakers and structured

conversations with someone else reading off of the book you should soon gain a basic grasp of speaking spanish notably the grammar of the spanish language is relatively easy for english speakers to grasp
